Welcome back! McMillen Health looks forward to working with your students this year and wanted to inform your school about our **Building Level Discount** program. Schools who schedule in advance can save on student fees on all programming. And, we would like to ensure you are able to save on this year's health prevention education!

**Save at least 10%**

Save 10% when you schedule 33% or more of your building. For example, in a K-5 building, schedule two complete grade levels and the fee drops to \$4.50 per student!

**Save 20%** when you schedule 50% or more of your building. For example, in a K-5 building, schedule three complete grade levels and the fee drops to \$4.00 per student!

**Confirm Your Participation**

To take advantage of this offer, we need a firm commitment to your chosen participation level before September 30 and need to have all program sessions scheduled by November 30. To reserve your savings, please follow these simple steps:

1. Mark your intended participation level: \_\_\_\_\_  
(Write in your School Name, City, State)

Tell us a contact name for your school: \_\_\_\_\_

\_\_\_\_\_ My school intends to take advantage of McMillen's special savings at the 10% reduced rate. We will be scheduling programs for 33% or more of our building before November 30.

\_\_\_\_\_ My school intends to take advantage of McMillen's special savings at the 20% reduced rate. We will be scheduling programs for 50% or more of our building before November 30.
