

"In My Blood" by Shawn Mendes

Songwriters: Friedman Scott Harris / Geiger Teddy

Intro:

Help me, it's like the walls are caving in
Sometimes I feel like giving up
But I just can't
It isn't in my blood

Verse 1:

Laying on the bathroom floor, feeling nothing
I'm overwhelmed and insecure, give me something
I could take to ease my mind slowly
Just have a drink and you'll feel better
Just take her home and you'll feel better
Keep telling me that it gets better
Does it ever?

Chorus:

Help me, it's like the walls are caving in
Sometimes I feel like giving up
No medicine is strong enough
Someone help me
I'm crawling in my skin
Sometimes I feel like giving up
But I just can't

It isn't in my blood
It isn't in my blood

Verse 2:

I'm looking through my phone again, feeling anxious
Afraid to be alone again, I hate this
I'm trying to find a way to chill, can't breathe, oh
Is there somebody who could help me?

Chorus:

It's like the walls are caving in
Sometimes I feel like giving up
No medicine is strong enough
Someone help me
I'm crawling in my skin
Sometimes I feel like giving up
But I just can't

It isn't in my blood
It isn't in my blood

Bridge:

I need somebody now
I need somebody now
Someone to help me out
I need somebody now

Chorus:

Help me, it's like the walls are caving in
Sometimes I feel like giving up
But I just can't

It isn't in my blood
It isn't in my blood
It isn't in my blood
I need somebody now
It isn't in my blood
I need somebody now
It isn't in my blood
